

## Narumi SASAKI “●”

2021.4.9(Fri) - 5.9(Sun)

Wed - Sat 11:00-19:00, Sun 12:00-18:00,

Closed Monday, Tuesday and National holidays

We are pleased to present artist Narumi Sasaki’ s solo exhibition “●” featuring new series of works as pursuit of the “other side of the canvas” , an extensive theme from her solo exhibition held in 2019.

The exhibition title connotes an image of a hole or celestial body. It is simultaneously a significance of a cave, archetypes existing in collective unconscious, or the pathway of consciousness linking to it. Her collage-like techniques using various materials such as stones and wood, which is a continuous approach from the previous exhibition, implies to transcendent existence.

On the occasion of this exhibition, LOKO GALLERY will release Sasaki’ s artist book focusing on her drawings. For the artist, drawing is “an act of accurately scooping up an image from a place as it is” .

***“Call. Here lies presentiment, although there is nothing yet. I am only accepting it.”***
